The retreat will end with lunch on Sunday, May 16th.

Make Lasting Memories

Dads, she’s growing up faster than you can imagine! Take some time with her now. It will be the memories of time together that will matter as time marches on.

Santa Rosa Bible Church is offering you a unique opportunity to get away with your daughter to build lasting memories. We will be taking a group of men and their girls up to Hartstone for special time of retreat.

Skip stones, go hiking, shoot bows and arrows, take a swim. Hartstone provides an excellent setting for you to spend quality quiet time with both your daughter and your Heavenly Father. There are also several good fishing locations, both public and private, within a very short distance.

During the weekend you will be challenged, together with your daughter, to follow the call of Christ to become the kind of family He wants you to.

DON’T MISS THIS OPPORTUNITY!

Hartstone Bible Camp...

is located in the Coastal Mountains of California about 3 hours north of San Francisco along the Eel River near Potter Valley and the Mendocino National Forest. With about 90 acres of wooded forest land, river front and abundant opportunities to enjoy God’s Creation, Hartstone is the ideal place to get away from the world and “Be still” and focus on God and His Word.
