## *Holiday Newsletter 2018*

Dear friend of Hartstone,

***But let all who take refuge in You be glad,  
Let them ever sing for joy; And may You shelter them,  
That those who love Your name may exult in You.  
-Psalm 5:11***

My children hum and sing a lot. I love to hear and see them enjoying life, being happy and at peace. Our Lord desires for His children to exult in Him by singing for joy. I have found that singing often lifts my heart and refocuses my mind and emotions especially when the lyrics are biblical and Christ-centered. I have sang with saints on happy occasions and with others on their deathbed in the hospital. Every time, no matter the circumstance, it has been a special gift from God. No matter the situation you currently find yourself in, take refuge in God and sing for joy in His great name.

This past year has been very unique. Normally during our off season we are able to do a lot of repairs and projects around camp but because of the wind storm that caused the Redwood/Potter Valley Complex Fire-that the Lord protected us from last fall, we spent the whole winter off season cleaning and repairing the grounds. Thank you to all for your prayers, love, support and to those who came and helped us clean up all the fallen trees and debris around camp.

### **ANSWERED PRAYERS:**

Last year in our annual Holiday Newsletter we made mention of the needs of a new camp truck and golf cart and praise God, He provided for both of these needs. We also started fundraising for the final phase of the Chapel Project and this past year we have raised a little over \$25,000 (See page 4 for more Chapel Project Details) More staff: The Tulip Family has returned and is overseeing camp Projects and Repairs and The Thompson Family was just brought on full time staff in October and is overseeing Food Service and General Maintenance for Hartstone, we praise God for meeting our needs.

### **SOMETHING SPECIAL:**

We put all 3 fulltime staff families Christmas cards in this Holiday Newsletter, please feel free to cut them out and place in a location where you could be reminded to pray for them. If you would like to financially support one of Hartstone's full time staff families, please indicate so in the memo section of your support check. If you would like to donate via PayPal, you can do so through our website: [www.hartstonebiblecamp.org](http://www.hartstonebiblecamp.org) (We praise God that over the last 5 years Hartstone has benefited from monies received from family trusts, please consider us in your estate planning).

Thank you for your partnership in this ministry. God bless!

## Chapel Project

(Final Phase)

So far, we have been able to complete the first two phases debt-free from the generous donations of Hartstone supporters. How soon we can begin the final phase depends on the Lord's provision. We estimate the cost to be around \$250,000. Part of this cost includes an electrical power upgrade for the camp to add power to the addition of the chapel and to power the HVAC system. This will also allow us to upgrade the power supply to our RV sites which are currently under powered.

Phase 3 of the Chapel Project will be an addition to the front of the chapel where we will put in new ADA restrooms and a lobby area. This lobby area will include a fireplace and comfortable seating. We will also have a display wall showing the history of the Hartstone ministry. This will be accompanied by a beautiful covered porch entrance. Finally, we will install an HVAC system for the sanctuary and lobby. Please pray that the Lord would provide the final funds to complete this project. We believe that His provision thus far is evidence that not only does our Lord deserve worship, but He highly desires it! We are so excited to be able to bless our brothers and sisters in Christ who visit Hartstone with a beautiful new place to hear from His Word, pray, and worship in song! Please prayerfully consider how you could partner with us. If you would like to be a part of this Christ honoring endeavor, you can make a tax-deductible donation to Hartstone Bible Camp and in the memo identify "Chapel Project." If this is not designated, your contribution will go into our general fund which helps us in our overall camp operations.
