

2022 Director's Message to Hartstone Guests

Hello Friends of Hartstone,

I'm so excited to have you here at Camp! It's a joy and honor to serve you and to worship our great God and Savior Jesus Christ together.

We are still raising money to complete our Chapel Project debt free. With the threat of past wildfires and Covid-19 we have been delayed, but by God's grace, financial gifts are still trickling in. Our goal has been to raise \$250,000, but with current inflation, it could cost more than what we originally anticipated. So far, we have raised \$173,000 and we believe that God will provide the rest. Could He be asking you to help in doing that? Consider giving to a cause where lives get impacted by Jesus Christ here in this amazing place.

Thank you so much for all your love and support for this ministry, it's an honor to partner with you, God bless

Not to us, Dave Dick
