

2024 Director's Message to Hartstone Guests

The Chapel Project Has Started!!!

Hello Friends of Hartstone,

Yay!!! I am so excited that the Chapel Project has begun!!! The Lord has provided everything we need to complete this and we give thanks to Him for His provision through you. By God's kindness we have financial donor's that have committed to help us see this project all the way through, but they would still love for you to be a part of the Lord's blessing in giving toward this.

If you would like to give a financial gift, please put it in the provided envelopes and place in the donation box to the right or mail a check made out to Hartstone Bible Camp and on the memo, line write in Chapel Project. If you would like to give electronically, you can do so on our website using, Venmo, CashApp, or PayPal, please indicate Chapel Project.

I am so thankful to have you here at Hartstone. This is truly a special place. I pray that your time here will be blessed and that you will be drawn closer to Him while you are here. God bless.

Not to us, Dave Dick
